He also warned about

schoolmates might disagree for the democracy level of the wall as there are people reviewing the messages and have regulations.

5.2 The forum

Internal vice president Gigi Lam worried about the one-sided problem and will bide time for revenge due to the heated topics for the forum. President Chloe Ho said it depends on the controversy of the topic. Supervising Officer Mr Lai recommended inviting big shots such as Jasper Tsang and holding a joint school seminar. But he would not want to be a forced activity for schoolmates and worried about the attentiveness of students. He suggested that the theme of the topics can be more macro such as to what extent are the five demands can not have one less.

External vice president Eric Yip suggested inviting the past Student Union Cabinets to participate in the gathering. Supervising Officer Mr Lai questions about the contact method for the invitation. Eric Yip said we can send letters to the presidents of the past cabinets and can obtain the contact methods through previous supervising officers.

Publicity executive committee Kelly Or suggested including different competitions from teachers by passing the activities through us. Supervising officer Mr Lai recommended us to just help promoting the activities since there will be privacy problems from obtaining information from schoolmates.
